

TENNESSEE RESIDENTIAL PROPERTY CONDITION DISCLAIMER STATEMENT

1 Property Address: _____
2 Buyer: _____
3 Seller: _____

4 The Tennessee Residential Property Disclosure Act requires sellers of residential real property with one to four dwelling
5 units to furnish to a buyer one of the following: (1) a residential property disclosure statement (the “Disclosure”), or (2) a
6 residential property disclaimer statement (permitted only where the buyer waives the required Disclosure). Some property
7 transfers may be exempt from this requirement (see Tenn. Code Ann. § 66-5-209). The following is a summary of the
8 buyers’ and sellers’ rights and obligations under the Act. A complete copy of the Act may be found at:
9 <http://www.tn.gov/commerce/boards/trec/law.shtml>

- 10 1. Sellers must disclose all known material defects and must answer the questions on the Disclosure form in good faith to
11 the best of the seller’s knowledge as of the Disclosure date.
- 12 2. Sellers must give the buyers the Disclosure form before the acceptance of a purchase contract.
- 13 3. Sellers must inform the buyers, at or before closing, of any inaccuracies or material changes in the condition that have
14 occurred since the time of the initial Disclosure, or certify that there are no changes.
- 15 4. Sellers may give the buyers a report or opinion prepared by a professional inspector or other expert(s), or certain
16 information provided by a public agency, in lieu of responding to some or all of the questions on the form (See Tenn.
17 Code Ann. § 66-5-204).
- 18 5. Sellers are not required to have a home inspection or other investigation in order to complete the Disclosure form.
- 19 6. Sellers are not required to repair any items listed on the Disclosure form or on any past or future inspection report unless
20 agreed to in the purchase contract.
- 21 7. Sellers involved in the first sale of a dwelling must disclose the amount of any impact fees or adequate facility taxes
22 paid.
- 23 8. Sellers are not required to disclose if any occupant was HIV–positive, or had any other disease not likely to be
24 transmitted by occupying a home, or whether the home had been the site of a homicide, suicide or felony, or act or
25 occurrence which had no effect on the physical structure of the property.
- 26 9. Sellers may provide an “as is”, “no representations or warranties” disclaimer statement in lieu of the Disclosure form
27 only if the buyer waives the right to the required disclosure, otherwise the sellers must provide the completed Disclosure
28 form (see Tenn. Code Ann. § 66-5-202).
- 29 10. Sellers may be exempt from having to complete the Disclosure form in certain limited circumstances (e.g. public
30 auctions, court orders, some foreclosures and bankruptcies, new construction with written warranty, or owner has not
31 resided on the property at any time within the prior three (3) years. See Tenn. Code Ann. § 66-5-209).
- 32 11. Buyers are advised to include home and wood infestation, well, water sources, septic system, lead-based paint, radon,
33 mold, and other appropriate inspection contingencies in the contract, as the Disclosure form is not a warranty of any kind
34 by the seller, and is not a substitute for any warranties or inspections the buyer may desire to purchase.
- 35 12. Any repair of disclosed defects must be negotiated and addressed in the Purchase and Sale Agreement; otherwise, seller
36 is not required to repair any such items.
- 37 13. Buyers may, but do not have to, waive their right to receive the Disclosure form from the sellers if the sellers provide a
38 disclaimer statement with no representations or warranties (see Tenn. Code Ann. § 66-5-202).
- 39 14. Remedies for misrepresentations or nondisclosure in a Property Condition Disclosure statement may be available to
40 buyer and are set out fully in Tenn. Code Ann. § 66-5-208. Buyer should consult with an attorney regarding any such
41 matters.
- 42 15. Representations in the Disclosure form are those of the sellers only, and not of any real estate licensee, although
43 licensees are required to disclose to all parties adverse facts of which the licensee has actual knowledge or notice.

- 44 16. Pursuant to Tenn. Code Ann. § 47-18-104(b), sellers of newly constructed residences on a septic system are prohibited
 45 from knowingly advertising or marketing a home as having more bedrooms than are permitted by the subsurface sewage
 46 disposal system permit.
- 47 17. Sellers must disclose the presence of any known exterior injection well, the results of any known percolation test or soil
 48 absorption rate performed on the property that is determined or accepted by the Department of Environment and
 49 Conservation, and whether the property is located within a Planned Unit Development as defined by Tenn. Code Ann. §
 50 66-5-213 and, if requested, provide buyers with a copy of the development's restrictive covenants, homeowner bylaws
 51 and master deed. Sellers must also disclose if they have knowledge that the residence has ever been moved from an
 52 existing foundation to another foundation.

53 The Buyers and Sellers involved in the current or prospective real estate transaction for the property listed above
 54 acknowledge that they were informed of their rights and obligations regarding Residential Property Disclosures, and that this
 55 information was provided by the real estate licensee(s) prior to the completion or reviewing of a Tennessee Residential
 56 Property Condition Disclosure, Tennessee Residential Property Condition Disclaimer Statement or a Tennessee Residential
 57 Property Condition Exemption Notification. Buyers and Sellers also acknowledge that they were advised to seek the advice
 58 of an attorney on any legal questions they may have regarding this information or prior to taking any legal actions.

59 The Tennessee Residential Property Disclosure Act states that anyone transferring title to residential real property must
 60 provide information about the condition of the property. This completed form constitutes that disclosure by the Seller. The
 61 information contained in the disclosure is the representation of the owner and not the representation of the real estate licensee
 62 or sales person, if any. This is not a warranty or a substitute for any professional inspections or warranties that the purchasers
 63 may wish to obtain.

64 Pursuant to Tenn. Code Ann. § 66-5-212, Sellers are required to disclose, in writing, the presence of any known exterior
 65 injection well on the Property, whether the Sellers have knowledge that any single family residence on the Property has ever
 66 been moved from an existing foundation to another foundation, whether the Sellers have knowledge of any percolation tests
 67 or soil absorption rates performed on the Property that are determined or accepted by the Tennessee Department of
 68 Environment and Conservation and the results of said tests and/or rates. Sellers, pursuant to Tenn. Code Ann. § 66-5-213,
 69 are also required to disclose in writing if the Property is located in a Planned Unit Development and upon request, provide
 70 buyers with a copy of the development's restrictive covenants, homeowner bylaws and master deed.
